

Be Red Cross Ready

This compact, portable multipurpose **American Red Cross Etón FR400 Emergency Radio** keeps you informed during emergencies or power outages, thanks to a simple hand crank that can be used to recharge the built-in battery. More compact than other emergency

radios, with rugged, water-resistant housing. Listen to weather reports and news, charge a cell phone, activate the LED flashlight or siren. Receives all seven NOAA weather stations and audio from TV-VHF. Can also use three AA batteries or AC adapter, included. High Impact surface.

NEVER BE WITHOUT

- Power
- Current and accurate information
- NOAA Weather conditions
- Cell-phone charger
- Flashlight, Flasher & Siren

Funds raised from the sale goes to support the Wayne Pike Chapter of the American Red Cross. Please support your local community.

Etón Corporation will contribute \$.70 of the sales price to support the American Red Cross
